Dear Denise ,

The corresponded document to the Official Action for 10,707,714 was mailed out right on the due day May 9. 2006

Here is the photo copy of the mail stamp. You can check the original document with the mail envelope and verify it .

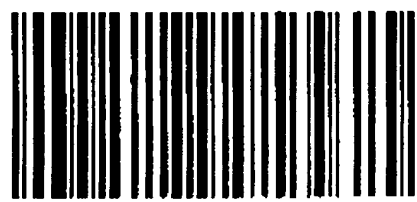

Mails commonly take 4-6 days to travel from coast to coast. I received the mail you sent to me after 4-5 days.

Let's correct this issue and remove the additional fee first. Then, I will re-send you the qualified amendment you requested.

Thanks,

Inventor
